

SkyPostal CEO Featured in Wall St. Network Interview

MIAMI and SANTIAGO - December 16, 2008 – SkyPostal Networks, Inc. (OTC BB: SKPN), the largest private postal network in Latin America, announced that its President and CEO Albert P. Hernandez was interviewed today on Wall St. Network's 3-Minute Press Show. The audio interview can be accessed by visiting the Investors section of www.skypostal.com or at <http://tv.wallst.net/3-minute-press/363/1449/SKPN/albert-hernandez/skypostal-networks-inc/>.

During the interview, Mr. Hernandez provided an overview of SkyPostal Networks and its recent entry into the estimated \$1.8 billion parcel post market with the launch of Punto Mio (www.PuntoMio.com) in October 2008. Punto Mio is an online international shopping facilitator that connects U.S. e-tailers with international online shoppers and provides international transport, customs clearance and cross-border parcel delivery to Internet shoppers. Punto Mio services are available throughout the Latin America-Caribbean (LAC) region and the Middle East. Punto Mio is also being co-marketed in Argentina by Banco Santander Rio, the Argentine branch of Banco Santander, one of the world's largest banks based on profit and market capitalization.

Wall St. Network's 3-Minute Press Show is a daily program hosted by WSN reporter Tracee Tolentino that features in-depth interviews with public company executives on their company and most recent press releases. The show is designed to provide viewers with insight into a company's latest news, and its impact on the company's growth.

About SkyPostal Networks, Inc.

SkyPostal is an international wholesale mail distribution company that specializes in hand delivery of commercial mail, periodicals and parcel post into the Latin America-Caribbean (LAC) region. SkyPostal is the largest private postal network in Latin America, delivering more than 60 million mail items each month through its network of local private postal operators. SkyPostal handles mail from European postal administrations, major publishers, mail consolidators, international mailers and financial institutions that require time-defined and reliable delivery of their mail and magazines, as well as mail order parcels through its Punto Mio division (www.PuntoMio.com). Launched in October 2008, Punto Mio is an Internet shopping facilitator that bridges the gap between U.S.-based e-tailers and the online international shopper from the time of purchase through cross-border delivery.
