Using this guide

Check merchandise before shipping

Review the destination and route before tendering merchandise. Prohibited items are not accepted under the listed service. Restricted items require the stated quantity limit, documents, permits or acceptance review.

Product status

Status	What it means
Prohibited	Do not tender through the listed service.
Restricted or conditional	Meet the stated conditions and confirm acceptance before shipping.
No country list available	Confirm product acceptance with SkyPostal. Missing information is not permission to ship.

Country coverage

Argentina, Aruba, Brazil, Chile, Colombia, Costa Rica, Dominican Republic, Ecuador, El Salvador, Mexico, Panama, Peru and Uruguay. Mexico acceptance is listed by service code 1 and service code 502.

Reference and scope

This guide outlines SkyPostal product acceptance and destination requirements. Restricted items must meet the stated conditions before shipping. Refer to the International Service Guide for service limits and duties and taxes. Contact SkyPostal for product-specific questions.

SHIPPING TO

Dominican Republic

Prohibited and restricted goods | Air imports

SkyPostal shipping requirements

Review the prohibited, restricted and dangerous-goods lists below before shipping to the Dominican Republic. Contact SkyPostal to confirm product acceptance and required documentation before tendering restricted goods.

Section 1 — Absolutely prohibited goods

The following goods are listed as prohibited for shipments to the Dominican Republic.

Category	Details	Legal basis
Drugs and narcotics	Narcotics, psychotropic substances and precursors.	Law 50-88 / Laws 53-07 and 137-03
Pornographic material	Any obscene material or material containing pornographic content.	Decree 309-06
Used vehicles over 5 years old	Importation of vehicles manufactured more than 5 years ago is prohibited.	Law 04-07
Salvage vehicles	Absolutely prohibited, without exception.	Law 04-07
Used household appliances	All secondhand household appliances.	Law 147-00
Used clothing	All secondhand clothing.	Law 458 (January 3, 1973)
Undeclared cash	Amounts exceeding the legal limit without declaration.	Law 72-02 (Money Laundering)
Used tires	Secondhand tires for any vehicle.	DGA environmental regulations

Section 2 — Restricted goods

Permit or license required. These goods may enter the country, but importation is conditional on obtaining prior authorization from the competent authorities.

Category	Details	Legal basis / authority
Alcoholic beverages	A DGII import license is required (Decree 79-03). Personal consumption: maximum 5 liters without a license.	DGII / Decree 79-03
Tobacco products	A DGII import license is required. Personal consumption: maximum 20 packs of 10 units each.	DGII / Decree 79-03
Firearms and ammunition	A permit from the Ministry of Interior and Police is required.	Ministry of Interior and Police
Telecommunications equipment	An INDOTEL type-approval or no-objection certificate is required.	INDOTEL
Pharmaceuticals and medicines	Health registration and authorization from the Ministry of Public Health are required.	MISPAS
Live or dead animals	An animal health certificate and CITES compliance are required.	Ministry of Agriculture / CITES
Plants and plant products	A phytosanitary certificate is required.	Ministry of Agriculture
Jewelry, precious metals and gemstones	Declaration is mandatory; an import permit may be required.	DGA / Ministry of Finance
Radioactive materials	Authorization from the Ministry of Energy and Mines is required.	MEER (as cited in source)
Slot machines	A resolution from the Ministry of Finance Casino Commission is required.	Ministry of Finance
Antiques and works of art	Possible export restrictions in the country of origin; declaration is mandatory.	DGA / UNESCO

Category	Details	Legal basis / authority
Cash over US$10,000	Declaration at the border is mandatory.	Law 72-02

Section 3 — Dangerous goods

IATA DGR | AIR TRANSPORT

Dangerous goods require prior acceptance and compliance with applicable IATA Dangerous Goods Regulations, including classification, documentation, packaging and carrier notification requirements. Contact SkyPostal before tendering dangerous goods.

Type of goods	IATA DGR conditions / requirements
Explosives, ammunition and gunpowder	Prohibited in commercial air cargo unless special IATA/DGA authorization is obtained.
Toxic and poisonous substances	Require IATA DGR classification and specific documentation (MSDS, SHD).
Compressed / flammable gases	IATA Class 2 classification; airline approval required.
Flammable liquids (perfumes, solvents)	IATA Class 3; may be transported under special conditions and in limited quantities.
Lithium batteries (Li-ion / Li-metal)	IATA Packing Instructions 965–970; restrictions vary between cargo and passenger aircraft. Complete equipment: special conditions apply.
Radioactive materials	IATA Class 7; special approval from the airline and DGA required.
Corrosive goods	IATA Class 8; special packaging and NOTOC declaration required.
Lighters	Only without flammable liquid or gas. Passengers: 1 unit in carry-on baggage.

Operational notes

- Penalties for violations of U.S. federal hazardous materials regulations (49 CFR, Parts 171–180) may reach US$25,000 per violation or US$500,000 in serious cases, plus imprisonment.
- Declare dangerous goods to SkyPostal before shipment so that applicable carrier approvals and documentation, including a Notification to Captain (NOTOC) when required, can be confirmed
- Alcoholic beverages and tobacco held in Miami require a DGII license before release, regardless of their commercial value
- Telecommunications equipment without INDOTEL type approval will be held by the DGA and cannot be cleared until compliance is achieved
- For goods of animal or plant origin, the phytosanitary / animal health certificate is a prerequisite for shipment, in accordance with the CITES Convention where applicable
- For questions about product classification, acceptance or required documents, contact SkyPostal before shipping

SHIPPING TO

Mexico service code 502

Service acceptance

Service code 502 via Laredo (LRD) permits supplements, perfume, cosmetics and health and beauty products, subject to the applicable service and product conditions. All other prohibited items for Mexico service code 1 are also prohibited for service code 502. Entry through Laredo alone does not authorize these products on another service.

Prohibited items

- Ammunition
- Animals
- Animals, insects
- Auto parts
- Bamboo products
- Beverages/Alcohol
- Bicycle for children
- Cables
- Candies
- Cash
- Cigars/Tobacco/e-cigarettes (include nicotine patches)
